## **ANNEX**

### **L0124 U10 N-PRO 225/16-2**

Applicant: Association Krokodil.

Dates: December 2016

Activity: Residence for Catalan authors in Belgrade

The committee proposes to reject the application submitted by the Association Krokodil, regarding the residency of translators in Belgrade to take place in December 2016, on the grounds that it fails to comply with the first condition of the conditions governing this application process. Regulation 1.1 a) establishes that the object of the application process is to promote and disseminate Catalan literary and philosophical works abroad (i.e. works of non-fiction and the humanities, originally written in Catalan), that take place during the same year as the application process.

The activity for which the grant is sought does not meet the objective of this application process. As a result, the committee proposes to reject the application.

### **L0124 U10 N-PRO 254/16-2**

Applicant: Catalan Institute for Cultural Heritage Research (ICRPC)

Dates: 16 to 22 November 2016

Activity: presentation at the Orfeó Català de Mèxic of the Catalan edition of the book *Tell, El llop solitari de l'exili català* by Gemma Domènech i Casadevall

The committee proposes to reject the application submitted by the ICRPC, concerning the presentation at the Orfeó Català de Mèxic of the Catalan edition of the book *Tell, El llop solitari de l'exili català* by Gemma Domènech i Casadevall, as it fails to comply with Rule 1 of the rules governing this application process. Rule 1.1(a) establishes that this application process is for events promoting Catalan literature and philosophy (i.e. works of non-fiction and humanities originally written in Catalan) abroad, outside the linguistic domain: e.g. international literary festivals, book launches and promotional campaigns for new translations. Academic activities are excluded.

The activity for which the grant is sought does not meet the objective of this application process given that the work presented is an original Catalan piece of work. It is not a promotion for a new translation of this work. As a result, the committee proposes to reject the application.
