5. On 15 September 2026 the examining body issued a resolution proposal for the awarding of grants, based on the assessment committee proposal.

Legal grounds

1. Law 38/2003, of 17 November (General Subsidies Act), and Royal Decree 887/2006, of 21 July, approving the Regulation of Law 38/2003, of 17 November (General Subsidies Act).
2. Royal Legislative Decree 3/2002, of 24 December, approving the revised text of Public Finance Act of Catalonia.
3. The decision dated 22 January 2025 (DOGC no. 9337, of 27 January 2025), publicising the Agreement of the Board of Directors dated 16 January 2025, amending the terms and conditions governing the awarding of grants for the publication of illustrated works abroad.
4. Point 10 of the guidelines governing the awarding of grants by Institut Ramon Llull for the publication of illustrated works abroad establishes the procedure for awarding grants.
5. Point 10.1 of said guidelines establishes that the procedure for the granting of subsidies is being processed under competitive competition.
6. Point 10.3 of said guidelines establishes that applications are examined by an assessment committee, the composition of which is determined by the guidelines. The members of the assessment committee are appointed through a resolution issued by the individual serving as Director of the Consortium of the Institut Ramon Llull.

7. Point 13.1 establishes that the person holding the Management position of the Institut Ramon Llull will resolve within a maximum period of six months from the date of publication of the call.

8. Point 1.4 states that grants awarded in accordance with these guidelines are considered de minimis aid, governed by Commission Regulation (EU) 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid (DOUE L2023, de 15.12.2023).

9. Point 13.2 establishes that the resolution will expressly state that the award is a de minimis grant.

10. Institut Ramon Llull has earmarked funds in this year's budget to cover the grants awarded herein.

Article 13.2 e) of the Institut Ramon Llull bylaws grants the person holding the Management position the power to resolve issues of grants.

RESOLUTION

Now, therefore, be it resolved that:

2. Payment of 100% shall be processed once all the supporting documents for the grant-funded activity and the expenditure incurred have been submitted, as per the terms in the point 16 of the guidelines governing this call.
3. These grants shall be considered de minimis grants, governed by Commission Regulation (EU) 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid (DOUE L2023, de 15.12.2023).
4. The recipients of the grants must undertake to provide any information requested regarding the grant awarded, at all times, and submit to any reviews or monitoring that Institut Ramon Llull or other competent bodies deem necessary.
