

DECISION ON THE SECOND CALL FOR APPLICATIONS FOR THE AWARDING OF GRANTS, ON A COMPETITIVE BASIS, FOR THE TRANSLATION OF ORIGINAL LITERARY WORKS AND WORKS OF THOUGHT IN CATALAN AND OCCITAN (IN ITS ARANESE VARIANT)

Ref. 02/ L0127 U10 N-RES_DEF_2a C

Background facts

1. Resolution of the director of the Consortium of the Institut Ramon Llull (hereinafter Institut Ramon Llull), dated 28 July 2025 (DOGC number 9467 of 31 July 2025), opened the second call to award grants, on a competitive basis, to translate original literary and scholarly works from Catalan or Occitan (in its Aranese variant).
2. The applications submitted by the deadline established in the call are listed in the file.
3. On 17 November 2025, the assessment committee met to analyse and assess the applications submitted.
4. On 3 December 2025, the examining body formulated the proposal for a provisional resolution to award grants, in accordance with the proposal of the assessment committee.
5. On 19 December 2025, the examining body formulated the proposal for the final decision on the awarding of the grants, in accordance with the proposal of the assessment committee.

Legal bases

1. Law 38/2003, of 17 November, on general provisions for grants and subsidies, and Royal Decree 887/2006, of 21 July, approving the Regulation of Law 38/2003, of 17 November, on general provisions for grants and subsidies.
2. Legislative Decree 3/2002, of 24 December, approving the Consolidated Text of the Catalan Public Finance Act.
3. Resolution dated 22 January 2025 (DOGC number 9337, of 27 January 2025) announced the agreement of the Board of Directors dated 16 January 2025, modifying the guidelines governing the awarding of grants to translate original literary and scholarly works from Catalan or Occitan (in its Aranese variant).
4. Clause 10 of the guidelines for the call for grants from Institut Ramon Llull to translate original literary and scholarly works from Catalan or Occitan (in its Aranese variant).
5. Clause 10.1 establishes that the procedure for awarding the grants is carried out in accordance with the competitive tendering system.
6. Clause 10.3 of the aforementioned guidelines establishes that applications are analysed by an assessment committee whose composition is determined in the guidelines themselves. The members of the evaluation committee are appointed by decision of the Director of the Consorci Institut Ramon Llull.
7. Clause 1.5 of the terms and conditions establishes that the grants awarded pursuant to said terms and conditions have the status of *de minimis* aid, governed by Commission Regulation (EU) 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to *de minimis* aid (OJEU L2023, 15.12.2023).

8. Clause 13.2 states that the resolution shall expressly place on record the *de minimis* nature of the grant.

9. The Institut Ramon Llull has adequate and sufficient credit in the current budget.

Article 13.2 e) of the Institut Ramon Llull's Statutes empowers the person holding the office of Director of the Institut Ramon Llull to award grants.

Decision

I therefore decide:

1. To award grants in the amounts and for the purpose to the entities set forth in the Annex.
2. To establish that payment of the grant shall be carried out in the form of an advance of 50% of the amount awarded, as from the awarding of the grant.
3. To establish that payment of the remaining 50% shall be made once the supporting documentation for the activity object of the grant and the corresponding expenditure has been submitted in accordance with the stipulations of the terms and conditions.
4. To establish that these grants have the status of *de minimis* aid, governed by Commission Regulation (EU) 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to *de minimis* aid (OJEU L2023, 15.12.2023).
5. To establish that the beneficiaries undertake to provide at all times the information requested of them regarding the grant awarded and to submit to any verification and control actions that the Institut Ramon Llull or other competent bodies may deem necessary.
